## September 2021

### **Plaza Hawaii Kai Board Meeting**

The next AOA Board Meeting will be held on Monday, October 18, 2021, at 6:30pm. Access information on how owners can join the virtual meeting will be posted in the lobby with the agenda prior to the meeting.

### **Aloha to Christina Garcia**

Please welcome our new maintenance employee, Tina, who recently joined the staff at Plaza Hawaii Kai.

### **Electric Vehicle Charging Station**

For future planning, the Board would like to know how much demand there might be for an electric vehicle charging station on property. The EV charger would be a common amenity for resident use (at a reasonable cost), potentially increasing the desirability and value of the Plaza Hawaii Kai. If you think the idea is worth pursuing, or if you have concerns,

please email our Resident Manager, Greg, at [plazahawaiiikai@hawaii.rr.com](mailto:plazahawaiiikai@hawaii.rr.com).

### **Safety Reminder**

Unsafe drivers pose a risk to everyone on our property. Recently drivers have been seen speeding and failing to stop at posted stop signs. Please be mindful of residents and visitors walking in the parking areas.

**Watch your speed when driving in the garages (posted speed limit is 5 MPH) and turn on your vehicle lights.**

**There is a stop sign at the exit ramp in the high-rise parking garage — all drivers need to come to a full stop when exiting the parking garage.**

Please report violations to our Resident Manager, Greg at [plazahawaiiikai@hawaii.rr.com](mailto:plazahawaiiikai@hawaii.rr.com) or 808-395-4322.

Citations may be issued for violations.

### **COVID-19 mask reminder**

Please remember, the state's COVID-19 mask order is in place, and masks should be worn in all indoor common areas (including elevators, hallways, stairways, parking areas, and the lobby) on Plaza Hawaii Kai property.

### **Upcoming Holiday**

The Manager's office will be closed on Monday, October, 11, for Indigenous People's Day (formerly known as Columbus Day).

### **Did you know?**

If you measure all eight Hawaiian islands from east to west, you'll total 1,500 miles, making Hawai'i the widest state in America.

In 2008, Dole Plantation's giant Pineapple Garden Maze was declared the world's largest maze. The maze stretches over three acres and includes nearly 2.5 miles of paths crafted from 14,000 colorful Hawaiian plants. For more information go to [doleplantation.com](http://doleplantation.com).
