## MAY 2018

☺ I changed my password to "incorrect" so whenever I forget it, the computer will say, "Your password is incorrect." ☺

### Mahalo

Thanks to Mike Souza, our resident manager, we now have notice holders on each floor by the elevators and also by the mail boxes. Great idea!!

### This Month

There will be the Maunaloa Heritage Festival at Hawaii Kai Towne Center the week of May 12-18. It might be a chance to see Hokule`a, the traditional canoe that sailed around the world in 2014-2017.

### Condo noise

The subject of condo noise will be discussed at our May Board meeting. (see date in this newsletter) Information on this subject can be found in our House Rules.

### Reminders

Please do not feed pigeons or any other birds on your lanai. Besides causing a great mess, they can also be a serious health hazard.

### Smoking

As mentioned often in our newsletters, smoking, of all kinds, are allowed only inside your condo unit. Many of our residents are allergic to smoke, so please close your walkway and lanai windows when doing so.

### Swimming Pool

Summer is coming and hopefully we will have more sunny weather, and with that the pool will have more users. Don't forget to read and be aware of the pool rules that have been posted in our new notice holders.

Dryer vent cleaning is scheduled for June with Hawaii Dryer Vent Cleaning. The schedule for cleaning will be sent out to all residents.
