October 2018

😊 I hate it when I see an old person and then realize I went to high school with him. 😊

Notice:

Do not leave personal or donate any equipment to our workout room. It will be removed.

Reminders

Halloween

There is not to be any trick or treating in our condo on Halloween.

Check on schools and community programs for Halloween activities.

Fire Prevention Month

This is the time of the year to replace your fire alarm batteries and make sure your personal fire extinguishers are up to date.

Recycling

The recycle bins are for papers and plastic. Cans from food products are not recyclable even if they are washed out.

They easily attract roaches, which has been our problem in the recent weeks.

Smoking

Smoking is not allowed on walkways, lanais, or close to our condo buildings. If you do smoke in your condo, please close your windows. The smoke rises and enters other condos. We have people here that are seriously allergic to it.

Updates

New hoses have been installed in our car wash area. Please return the hoses to the hose reels after use and try to avoid kinking them. This will give them a longer life and we will not have to replace them as often.

Walk Through

The board of directors had their annual condo walk through last month and it is in very good condition. Future repairs and

improvements are on schedule.
