March-April 2020

☺ I went to the Air and Space Museum, but there was nothing there. ☺

Important Reminder:

Please do not flush anything down the toilet except toilet paper. No baby wipes, flushable wipes, tissues, women's personal products, or anything else. We have had way too many extra expenses due to clogged pipes. Also please make sure you have a strainer over your tub and sink drains to catch hair strands and any other clog causing items.

Notice

Our Annual Meeting was postponed in March because of the seriousness of the coronavirus health concerns. The next Annual Meeting date is tentatively scheduled for Monday, May 18, 2020. Registration begins at 6:30 pm and meeting will start at 7:00pm. The proxy votes that were sent in will still

be current if you cannot attend. We will keep you posted if this changes. The next Board Meeting is tentatively scheduled for April 20.

Mahalo

Mahalo nui for the great job our new resident manager, Gregg Stancil, is doing. Many large and small improvements have been made.

Also want to thank our maintenance technician, Harry Viernes for his hard work.

Guest Parking:

Reminder, please have your guest and short-term visitors park on the top floor (level 6) in the marked Guest Parking stalls only. They must also sign in on the Resident Manager's sign in sheet by his office door, across from the mail boxes.

Parking Lot Speed

To safety reasons, please slow down to when driving

in our parking lot. This will prevent any needless injuries to our residents, guests, or pets. And please turn your lights on for safety reasons.
